

E-BALL

BENEFICIARY ACCREDITATION APPLICATION FORM

Extending a hand of friendship towards sustainable life

Earth Ambassadors is a tourismZA initiative that motivates the youth of South Africa to extend a hand of friendship in the interest of a sustainable environment for the benefit of all who inhabit the earth.

Earth Ambassadors is a partnership with environmental and community based projects throughout South Africa; a portion of the income is allocated directly to the community and environmental projects of accredited beneficiaries.

Earth Ambassadors has recently launched an e-ball campaign. The three primary objectives of the e-ball campaign are:

1. To grow an international support base for community initiatives and environmental projects in South Africa
2. To help fund community and environmental projects in South Africa
3. To provide employment opportunities that address the biggest single challenge facing South Africa, that of poverty

We aim to raise and distribute FORTEEN MILLION RAND to accredited beneficiaries over the next three years

Employment (manufacturing of e-ball)	3 000 000.00
Employment (sales and distribution of e-ball)	6 600 000.00
Accredited beneficiaries (community / environmental projects)	5 000 000.00
Total allocation to accredited beneficiaries based on 50,000 e-balls	
	R 14 000 000,00

HOW IT WORKS IS SIMPLE

1. Accredited beneficiaries are issued with a VISA e-card
2. Accredited beneficiaries are listed on the Earth Ambassador website
3. Earth Ambassadors, supporters and our sponsors are requested to choose/nominate a beneficiary from this list.
4. Up to 75% of the income for each star sponsored is allocated to the beneficiary they nominated.
5. This is transferred from the e-ball trust account directly to the beneficiaries' respective VISA e-card
6. You, the beneficiary can use your VISA e-card at any VISA outlet
7. Full disclosure of the money allocated and spent is made available to anybody that requires it via VISA

If you have a project that benefits your local community or the environment we invite you to complete and submit the beneficiary accreditation form below.

REQUIREMENTS

1. Please submit the completed application with a signed covering letter on your official letterhead:
 - a. Requesting that your organisation be considered as an accredited beneficiary
 - b. Including your registration number and fund raising number
2. Complete the application form below

E - BALL

BENEFICIARY ACCREDITATION APPLICATION FORM

Extending a hand of friendship towards sustainable life

This is the first step in the accreditation process. The purpose of this application is to provide enough information to enable Earth Ambassadors the opportunity of researching and finding out more about your organisation and the project you have presented. You are welcome to submit additional information that you think is relevant.

Organisation name

Contact person	
Capacity	
Street Address	
Postal Code	
Mobile Phone	
Work Phone	
Website address	
E-Mail Address	

Brief overview of your organisation

Summarize the primary objectives of your organisation.

Brief overview of the project for which the funding will be used

The cornerstone of the e-ball campaign is to ensure that the money we raise is not only accounted for but that it is also spent on community initiatives and environmental projects. Please include both the community benefits and the environmental perspectives of the project

Agreement and Signature

This application does not constitute any form of binding agreement other than that of assessment between both parties
